

Scout Gaming increases distribution with Nsoft deal

Scout Gaming has entered into an agreement further expanding the distribution network of Scout's products. The agreements stipulate distribution of Scout Gaming's full product portfolio.

"Distribution and getting our product out fast to the market is our main focus at the moment. Therefore I'm glad to present this deal. NSoft will make a great contribution to our network and will also distribute our new and upcoming products," comments Scout Gaming's CEO, Andreas Ternström

The integration with Nsoft is expected to be completed. At latest, by the end of 2019.

"We are excited to offer Fantasy Sports within our product portfolio. This is clearly a product that will gain importance in the upcoming years and it complements with our own product portfolio. Scout Gaming is currently the market leader and offers the largest network. Therefore, our choice of supplier to cooperate with, was easy," comments Davor Konjevod, Regional Sales Manager at NSoft.
