

## Scout Gaming signs distribution deal with BtoBet

**Scout Gaming has entered into an agreement with platform provider BtoBet, for the provision of Scout Gaming's software towards its vast network of operators.**

The deal allows BtoBet to provide Scout Gaming's full product offering to its vast network of operators.

The Scout Gaming software is already integrated to BtoBet's platform through a currently commonly live client, hence Scout Gaming's software is immediately available to third parties operating on the BtoBet Neuron3 platform.

"We are pleased to add another strong distribution platform to our already broad network of partners. We had a successful co-operation with BtoBet and looking forward to expand it", comments Scout Gaming CCO, Joakim Renman.

"We are happy to add the market leading DFS and fantasy sports supplier to our product portfolio of games. We are experiencing an increasing demand for additional sport content and believes that Scout Gaming's product fits that need in a pleasant way", comments BtoBet's CMO, Sabrina Soldà.
