

Enters into agreement with Apple iSports

Scout Gaming Group, furthermore "SGG" or "company", has entered into an agreement concerning delivery of the company's products for Fantasy Sports and sportsbook to the Australian gaming company Apple iSports Inc.

Apple iSports primary market is Australia but the company also has a license for sports betting in the state of North Dakota in the USA. The products are planned to be launched during the first quarter of 2023.

Niklas Jönsson, acting Chief Executive Officer of SGG, said: *"To get the opportunity to delivery our whole product offering on to a partner on a market which have not delivered to before feel very positive. And to make a first delivery of a sportsbook according to the partners requests will be very valuable in customer discussion going forward."*
