**Stockholm, 30 November 2017**

**ABG Sundal Collier AB ("ABGSC") has notified IRRAS AB ("IRRAS" or the "Company") that stabilisation measures regarding the Company's shares have been effected.**

As previously announced, ABGSC is acting as stabilisation manager in connection with the offer to acquire shares in the Company and the listing on Nasdaq First North Premier (the "Offering"), and ABGSC may, acting as a stabilisation manager, effect transactions aimed at supporting the market price of the shares at levels above those which might otherwise prevail in the open market.

Such stabilisation transactions may be effected on Nasdaq First North Premier, the OTC market, or otherwise, at any time during the period starting on the date of commencement of trading in the shares on Nasdaq First North Premier and ending no later than 30 calendar days thereafter. ABGSC is however not required to undertake any stabilisation, and there is no assurance that stabilisation will be undertaken. Stabilisation, if undertaken, may furthermore be discontinued at any time without prior notice. In no event will transactions be effected to support the market price of the shares at levels above the price in the Offering.

In order to cover potential over-allotment in relation to the Offering, the Company has, at the request of ABG Sundal Collier AB in its capacity as Sole Global Coordinator, committed to issue not more than 966,666 new shares, corresponding to approximately SEK 43.5 million (before issue expenses) and 15 percent of the total number of shares in the Offering (the "Over-allotment Option").

ABGSC has announced that ABGSC (contact: Carl Rosenius, tel: +46 8 566 286 85), has performed stabilisation (in accordance with Article 3.2(d) of the EU Market Abuse Regulation) on Nasdaq First North Premier in accordance with what is set out below.
