

Goldblue signs agreement regarding integration of games from RTG Slots

Goldblue has reached an agreement with RTG Slots (RealTime Gaming) who will be supplying slots and the traditional Asian game "Fish Catch" to GoldBlue's platform. The games will be available to both B2C and B2B customers.

Goldblue's CEO Andre Rodrigues commented "Excited to be adding RTG Slots to our portfolio of slot suppliers who will be offered towards our B2B and B2C business. RTG Slots Asia focused division is delivering some very interesting content for the industry and we are excited to partner up with such visionaries"

This agreement is a step in GoldBlues goal to offer more localized products that attracts players on the market we are offering games.

RTG SLOTS – We Understand Your Players

RTG SLOTS is the Asia-focused division of Real Time Gaming, who is now celebrating over 20 years of producing igaming platforms and games. With offices in Manila and Kuala Lumpur, RTG SLOTS is focused on producing games that are innovative and provide new experiences for the player that over time will maximize player lifetime values and drive enhanced profitability to our clients.

RTG SLOTS' games are specifically designed for Asian players, featuring themes, graphics, animations, music and algorithms to which Asian players will connect. From deeply rooted stories and legends that players have grown-up with (e.g., The Three Kingdoms War, Tian Di Yuan Su, Wu Zetian) to more contemporary themes such as the exclusive Kung-Fu Hero film-based series of games and the industry's first web personality featured game with Sprite (The Mermaid's PEARLS), RTG SLOTS "understands your players" and is dedicated to delivering games that engage players and increase player lifetime values.
