**Tokmanni has acquired the business operations of the stores in the TEX chain in Tornio and Kemi. The TEX Tornio and TEX Kemi stores are established operators in their area of Meri-Lappi. The combined revenue of the acquired businesses was about EUR 14 million in the financial period ending on 31 March 2021. Tokmanni will take control of the stores' business operations as of 1 August 2021, and they will be redesigned as Tokmanni stores during the current year.**

Tokmanni Oy has acquired the business operations of the two stores in the TEX chain in Meri-Lappi. The stores are located along the E8 highway that runs along the west coast of Finland. TEX Kemi, which has a surface area of about 6,000 square metres, has 15 employees. The stores' current personnel will transfer to Tokmanni as existing employees.

"The extensive product assortments of the TEX Tornio and TEX Kemi stores will complement Tokmanni's assortment excellently. We will now be able to offer our customers more interesting and even completely new products. We would like to thank the stores' former owner, the Vuokila family, for the excellent cooperation and trust. We are really looking forward to being able to continue general discount retail business operations in Meri-Lappi and to serve customers in the familiar relaxed and easy atmosphere," says Mika Rautiainen, CEO of Tokmanni.

Tokmanni will start the planning work on the stores and evaluate the need to renewal. Tokmanni's aim is to bring the stores in line with the Tokmanni brand and concept during the current year. More detailed information on the store opening events will be provided later.
