

The holder of the title of Finland's northernmost Tokmanni store will change – Tokmanni will expand its store network to Ivalo

Tokmanni variety discount retail chain has decided to construct a new commercial building in Ivalo in Inari and open a Tokmanni store with a diverse product selection. Tokmanni's goal is to open the new Ivalo store during next year. This means that the Tokmanni store that opened about four years ago in Kittilä will hand over its title of the northernmost Tokmanni store to Ivalo.

The new commercial building, approximately 3,600 square metres in size, will be located in the southern part of Ivalo on Neitamontie, in the immediate vicinity of the E75 road (European route E75). The size of the store will correspond, for example, to the Tokmanni store opened last year in Sodankylä, which is about 160 kilometers from Ivalo.

“We are pleased to announce our goal of opening a versatile Tokmanni store in the growing and lively municipality of Inari. The new Tokmanni store will be located in a prominent and easily accessible location from the village of Inari, from Ivalo and from the direction of Saariselkä outdoor resort,” **Harri Koponen** says. He works as the Vice President, Store Network and Concept for Tokmanni Group's operations in Finland.

Tokmanni's current goal is to celebrate the opening of its new store in Ivalo during 2026. The schedule will be finalised as the construction project progresses.

Inari, which has been in the Finnish news in recent years as a municipality with a growing population, had 7,336 residents at the end of 2024. Thanks to its spacious store, Tokmanni can offer the residents and other
