

**Tokmanni Group renews its store network in Finland this autumn as well
– New Click Shoes store to open in Espoo and Tokmanni store in Vantaa,

Tokmanni Group's Click Shoes shoe store chain is expanding its store network by opening a new store in **the Lippulaiva urban centre** in Espoo. In addition, in Lohja, the Group's **Tokmanni variety discount retail chain** will concentrate shopping in its large **Lempola store** and close its smaller store in the city centre. Further store openings are also planned in Finland later this year, as construction of a new Tokmanni store in Kivistö in Vantaa, continues to progress.

In the Lippulaiva urban centre in Espoo, the new Click Shoes store will open its doors on the second floor as early as Thursday 17 September at 10 am.

"The Click Shoes store opening at the Lippulaiva urban centre will be an excellent addition to our store network. So far, we have only one Click Shoes store in Espoo, located on the other side of the city at the Sello shopping centre in Leppävaara," says **Tiina Virtanen**, Retail Operations Manager at Click Shoes.
