

Glaston receives important order in Thailand

Glaston has recently secured an order with Murakami Manufacturing Thailand CO. LTD worth approximately EUR 4 million for its Glaston Bavelloni Pre-Processing lines. The products will be delivered during the first half of 2012 from Glaston's factory in Bregnano, Italy.

The order includes seven special Bevelling and Grinding lines (Prismalines). The machines will be used for the manufacturing of prismatic mirrors for vehicles.

"Glaston delivered two Prismalines to Murakami Ishizaki Corp., China last year. The customer was really satisfied with the delivery. Our smooth and reliable co-operation was one of the main factors for closing this second deal", says Pekka Nieminen, VP Sales, Asia.

Murakami Manufacturing Thailand CO. LTD is owned by Murakami Japan and operates in the Automotive sector producing prismatic mirrors and side mirrors for vehicles.
