

## Business Update

The Board of Directors in Bio-Works Technologies AB has made the decision to send out a business update on a quarterly basis, beginning with the fourth quarter 2025. We will be reporting net sales, the orderbook and the order intake for the last quarter directly after the closing of the quarter.

The business update will give owners and investors information more quickly and give a better understanding of the company's development.

### Bio-Works Technologies Business Update fourth quarter 2025

Net Sales:	MSEK	Compare
------------	------	---------

Fourth quarter 2025	23,7	(2,6)

### About Bio-Works

Bio-Works enables Biotech companies to achieve their goals for purification of biomolecules. We support our customers, from laboratory research to commercial production, and together we implement efficient and robust solutions for bioprocessing. Our ambition is to be a trusted and dynamic partner in an industry characterized by growth and development.

Bio-Works' headquarters, with R&D and manufacturing, is located in Uppsala Business Park in Uppsala, Sweden. We supply products globally, through a combination of direct sales and via distributors in Europe, North America and Asia. The company is certified according to the ISO 9001:2015 quality management system. Bio-Works is listed on Spotlight Stock Market ("BIOWKS").
