

Bio-Works receives order for WorkBeads 40S from contract manufacturer in Europe

Bio-Works Technologies AB has received an order for 230 liters of WorkBeads 40S, valued at approximately 4,2 million SEK, from a returning European customer active in contract manufacturing of peptides.

“The order confirms the continued confidence in Bio-Works as a supplier of high-quality chromatography products and highlights the strong position of WorkBeads 40S in the growing peptide purification market,” says Lone Carlbom, CEO of Bio-Works Technologies AB.

Delivery is planned for Q3 2026, and the order contributes positively to Bio-Works’ sales targets for the year.
