About Moberg Pharma, www.mobergpharma.com

Moberg Pharma AB (publ) is a Swedish pharmaceutical company focused on commercializing proprietary innovations based on drug delivery of proven compounds. The company's main asset, MOB-015, is a novel topical treatment for onychomycosis, with ongoing phase 3 studies covering more than 800 patients. Topline results from the North American study are now available, followed by results from the European study expected by the end of the second quarter 2020. The pipeline also includes the late-stage asset BUPI for pain relief in oral mucositis. Clinical data generated for both assets indicate they have the potential to become market leaders in their respective niches. Moberg Pharma is headquartered in Stockholm and the company's shares are listed on Nasdaq Stockholm (OMX: MOB).
