

PRESS RELEASE

Appointment of Chief Medical Officer at Moberg Pharma

STOCKHOLM, July 30th, 2020, Moberg Pharma AB (OMX: MOB) announces the appointment of Dr Cindy Wong as Chief Medical Officer of Moberg Pharma. Dr Wong will during the fall be joining the management team at Moberg Pharma coming from a previous position as Vice President and Head of Global Clinical Development at Metz Pharmaceuticals GmbH.

Moberg Pharma is pleased to announce the appointment of Dr Cindy Wong as Chief Medical Officer. Dr Wong brings extensive international experience in clinical development and registration of new products in a number of treatment areas including Dermatology. She has held positions as Vice President and Head of Global Clinical Development at Metz Pharmaceuticals GmbH and Chief Medical Officer at Q-Med/Galderma, as well as senior positions at regulatory authorities in both Sweden and Australia. Dr Wong is board certified in internal medicine and clinical immunology. She is a medical graduate from the University of Adelaide and has completed postgraduate training in Internal Medicine, Clinical Immunology and Immunopathology.

"We look forward to welcoming Cindy to Moberg Pharma. She will be joining the company in a highly exciting stage as we recently completed phase 3-trials for MOB-015, where she will be adding valuable experience from the development, registration and commercialization of novel treatments", says Anna Ljung, CEO Moberg Pharma.

About Moberg Pharma, www.mobergpharma.com

Moberg Pharma AB (publ) is a Swedish pharmaceutical company focused on commercializing proprietary innovations based on drug delivery of proven compounds. The company's main asset, MOB-015, is a novel topical treatment for onychomycosis, with recently completed phase 3 trials in more than 800 patients. The pipeline also includes the late-stage asset BUPI for pain relief in oral mucositis. Clinical data generated for both assets indicate they have the potential to become market leaders in their respective niches. Moberg Pharma is headquartered in Stockholm and the company's shares are listed on the Small Cap list of the NASDAQ OMX Nordic Exchange Stockholm (OMX: MOB).
