About Moberg Pharma, www.mobergpharma.com

Moberg Pharma AB (publ) is a Swedish pharmaceutical company focused on commercializing proprietary innovations based on drug delivery of proven compounds. The company's main asset, MOB-015, is a novel topical treatment for onychomycosis. Data from phase 3 clinical trials in more than 800 patients for MOB-015 indicate that the product has the potential to become the future market leader in onychomycosis. Moberg Pharma has agreements with commercial partners in place in Europe and Japan, among others, and the company's intention is to submit a registration application during the second half of 2021 in Europe. Moberg Pharma is headquartered in Stockholm and the company's shares are listed on the Small Cap list of the Nasdaq Stockholm (OMX: MOB).
