**About Moberg Pharma, [www.mobergpharma.com](http://www.mobergpharma.com)**

Moberg Pharma AB (publ) is a Swedish pharmaceutical company focused on commercializing proprietary innovations based on drug delivery of proven compounds. The Company's main asset, MOB-015, is a novel topical treatment for onychomycosis. Data from phase 3 clinical trials in more than 800 patients for MOB-015 indicate that the product has the potential to become the future market leader in onychomycosis. Moberg Pharma has agreements with commercial partners in place in Europe and Canada, among others, and the Company's goal is to receive its first market approval and launch MOB-015 in 2023. Moberg Pharma is headquartered in Stockholm and the Company's shares are listed on the Small Cap list of the Nasdaq Stockholm (OMX: MOB).
