

NGM Notice Financial Markets #20-94

Stockholm 2020-03-16

Stressed market conditions on all equities and securitized derivatives

A state of stressed market conditions has been decided for all equities and securitized derivatives. Stressed market conditions will remain until close of business as of March 16, 2020.

When stressed market is called for, market makers are allowed to quote prices with a larger spread than normal.

Please check our website www.ngm.se for information regarding the affected instruments.
