### Praise for the 2015 Edition

*"With the fast evolving world of CC products from Adobe, it can be difficult to see all the advantages you are paying for. This book by Martin Evening is just what I have been looking for, it is well presented and will help everyone new and old to Photoshop CC get to grips with what has always been there and what's been added and enhanced. Photographers just starting out with Photoshop will be spending good money on this book, and seasoned Photoshop users (like myself) will must certainly find benefits to enhance their knowledge."* – **Amazon Customer Review**
