

Smoltek CEO Magnus Andersson comments on the third quarter of 2025

This press release is an English version of the previously published Swedish version, which has interpretive precedence.

Smoltek Nanotech Holding AB (publ) (“Smoltek” or “the Company”) announces that CEO Magnus Andersson will present and comment on the interim report for the third quarter of 2025 in a webcast presentation on Finwire. The broadcast will take place on November 6 at 2:00 p.m. and can be followed digitally by the public via link.

In connection with the publication of Smoltek’s interim report for the third quarter of 2025, the company’s CEO, Magnus Andersson, will hold a webcast presentation where he comments on the report and the company’s development. During the broadcast, participants will be given the opportunity to ask questions.

Smoltek Nanotech Holding is a public deeptech company that provides a technology that enables the production of conductive nanostructures on various materials. The company's nanostructure manufacturing technology can be used in several industrial sectors. Customers are found in the global process industry and semiconductors. The products that the company develops are used in equipment to produce fossil-free hydrogen and in semiconductors to further miniaturize microchips. The company protects its unique carbon nanotechnology through an extensive patent portfolio consisting of more than 120 applied for patents, of which 97 are currently granted. Smoltek's share is listed on the Spotlight Stock Market under the ticker SMOL. Smoltek is a development company and forward-looking statements regarding time to market, production volume and price levels should be interpreted as forecasts and not commitments.
