Save the date: Epiroc to host Capital Markets Digital Fika on November 23

Stockholm, Sweden: Epiroc AB, a leading productivity partner for the mining and infrastructure industries, will host an online presentation for institutional investors, analysts and financial media on November 23, 2020, at 15.00 CET.

Due to the Covid-19 pandemic, Epiroc will not host a traditional Capital Markets Day this year, instead opting to hold the presentation online. The purpose of the 2.5-hour event is to give an update on Epiroc's strategy for profitable growth. Topics such as innovation, aftermarket, operational excellence and sustainability will be covered.

Epiroc is calling the event Capital Markets Digital Fika. Fika is the Swedish practice of taking a break from daily activities to enjoy coffee or tea together, often with something sweet such as a cinnamon bun.

Participating from Epiroc will be Helena Hedblom, President and CEO; Anders Lindén, CFO; and other managers. Instructions on how to register will be distributed later.

We look forward to your participation!
