

Flexion Mobile Plc signs agreement with Nanobit

Launching the game "My Story" in its channels

LONDON, 4th of December, 2018 – [Flexion Mobile Plc \(Nasdaq: FLEXM\)](#), the London-based company that helps game developers maximise the growth potential of their android games, today announced it has signed an agreement with Nanobit, a leading European mobile game developer.

The agreement covers the game My Story: Choose your own path, a mid-tier game in the very popular story driven casual games genre. Nanobit is recognised by Google as a Top Developer and My Story is currently in the Top 200 Grossing charts in the US.

" Nanobit is the European leader in their genre and we are delighted to have them as a partner, says Flexion CEO Jens Lauritzson"

The agreement comes on the back of Flexion's recently announced mid-term vision to sign up approximately 100 titles to its distribution platform. Flexion's platform is integrated with app stores such as Amazon, Samsung and several leading regional stores and offers developers a chance to generate additional revenues from their games.

Flexion makes it easy for Android developers to maximise the growth potential of their games and offers a distribution platform. Its unique technology has solved a distribution problem for developers. At the core of Flexion's patent pending technology is the enabling and enhancement software that lets developers distribute one version of their game in multiple channels. As a result, game developers can reach new channels without having to make any changes to the game code. Flexion is integrated with global stores such as Amazon and Samsung and leading regional distribution channels in India, South Korea and Japan. Flexion Mobile Plc is listed on Nasdaq First North, Shortname: FLEXM. Certified Adviser is FNCA Sweden AB.
