

Flexion Mobile launches Battle Warship from Special Gamez

The Top Tier game is now live in all Flexion key channels

LONDON, 13th of August, 2020 – Flexion Mobile Plc (Nasdaq: FLEXM), the Android games distribution company today announced that it has launched Battle Warship Naval Empire. In July, the top tier game generated USD 3 million net revenue in Google Play according to data analyst Sensor Tower. The studio behind this successful game was recently acquired by the US NASDAQ listed company iQIYI, also known as Netflix of China. The game is now live on Amazon, Huawei, ONE Store and Samsung

"It is really great to see how we are ramping up our game launches. This is the second launch within a week and I would also like to welcome Special Gamez as a new partner", says Jens Lauritzson CEO of Flexion Mobile Plc.

Flexion currently has a live portfolio of 18 games and 4 games pending launch.

This deal was announced on the 30th of June.
