Helbio receives an order to deliver a 5kW CHP system to the Pontifical Catholic University of Rio de Janeiro

Metacon subsidiary Helbio S.A has received another order from the Pontifical Catholic University of Rio de Janeiro in Brazil. The order comprise a 5kW CHP system based on reformate hydrogen production via steam reforming of natural gas and low temperature PEM fuel cell for outdoor operation. The order value do not exceed €50,000.

“We share a valuable partnership with Pontifical Catholic University of Rio de Janeiro, and this additional order underpins our strong focus on customer satisfaction as well as functionality of our products and solutions” said Alexis Tzamouranis, Commercial Manager, Helbio S.A.
