Item 10

The Nomination Committee proposes that an annual board remuneration of SEK 500,000 shall be paid to the chairman of the Board of Directors and SEK 250,000 to each of the other board member.

The Nomination Committee proposes that the remuneration to the auditors shall be paid in accordance with approved invoices.

Item 11

The Nomination Committee proposes re-election of Ingemar Andersson, Christer Nygren, Mats W Lundberg and Thomas Nygren as board members and the election of Ulrika Hellman as new board members (presentation of Ulrika can be found on the website www.metacon.com/board-of-directors/) all for the period until the end of the next Annual General Meeting. The Nomination Committee proposes that Ingemar Andersson is re-elected as chairman of the Board of Directors. The Nomination Committee further proposes the election of Lars-Åke Andersson as the Company's auditor and that Camilla Beijron is re-elected as deputy auditor.

Item 12

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors to, during the period until the next Annual General Meeting, on one or several occasions, resolve to issue shares, warrants and/or convertibles. The authorisation shall include the right to deviate from the shareholders' preferential rights and the right to resolve on issues to be paid by way of cash consideration, non-cash consideration or by way of set-off. The Company's share capital and the number of shares may, by virtue of the authorisation, increase by a maximum amount and number of shares, respectively, that falls within the limits of the Articles of Association. The Board of Directors' reason for deviating from the shareholders' preferential rights is to be able to secure the Company's need for capital in the event of an expansion and to be able to carry out strategic acquisitions. The Board of Directors is of the opinion that it may be necessary to carry out new share issues to both existing and new investors.

The Board of Directors shall, immediately after the resolution on authorisation, ensure that the resolution is registered with the Swedish Companies Registration Office. Prior to registration, the Board of Directors may not decide on a new share issue. The Board of Directors, the CEO, or a person appointed by the Board of Directors, shall have the right to make such minor adjustments to the resolution that may be required in connection with the registration thereof.
