

INZILE

Inzile's new CEO takes office on June 1

On June 1, 2021, Daniel Wedberg will take over as the new CEO of the electric vehicle company Inzile. Daniel Wedberg most recently came from a position as strategy and development director in the Scania Group.

Daniel Wedberg has experience from the entire value chain within the Scania Group, from technical development to business development. Daniel Wedberg has also co-founded Scania Growth Capital and as its CEO he has been responsible for investing in and developing a number of startups.

Daniel Wedberg replaces Ragnar Åhgren, current CEO and main owner of Inzile.

About Inzile

Inzile is a Swedish tech company manufacturing intelligent electrically powered vehicles as well as creating modern transport and service solutions for a sustainable community. The company's vision is to liberate the world from emission of fossil fuels and to accelerate the climate efforts by contributing to sustainable cities that improve quality of life.

Inzile was founded in 2012 based on a strong will to secure a future climate friendly utility vehicle sector. The team consists of some of Scandinavia's foremost authorities related to electrical vehicles, digitalization, manufacturing and purchasing. Inzile develops, produces, and sells innovative vehicle solutions on the global market based on the demanding Nordic climate, security requirements and environmental standards. The company is based in Sweden with headquarters and production facility located in Västervik, R&D in Tranås and marketing office in Stockholm.

FNCA Sweden AB is the Company's Certified Adviser, +46 8 528 00 399, info@fnca.se.
