About Inzile

Inzile is a Swedish tech company manufacturing intelligent electrically powered vehicles as well as creating modern transport and service solutions for a sustainable community. The company's vision is to liberate the world from emission of fossil fuels and to accelerate the climate efforts by contributing to sustainable cities that improve quality of life.

Inzile was founded in 2012 based on a strong will to secure a future climate friendly utility vehicle sector. The team consists of some of Scandinavia's foremost authorities related to electrical vehicles, digitalization, manufacturing and purchasing. Inzile develops, produces, and sells innovative vehicle solutions on the global market based on the demanding Nordic climate, security requirements and environmental standards. The company is based in Sweden with head office in Stockholm, sales offices in Stockholm and in Palma, Spain, production in Västervik and R&D in Tranås, Sweden.

The company's share is traded on Nasdaq First North Growth Market Stockholm.

Redeye AB is the Company's Certified Adviser, +46 8 121 57 690, certifiedadviser@redeye.se.
