

## Risk Intelligence Annual Report 2025 published

Risk Intelligence A/S (“Risk Intelligence”) hereby publishes its Annual Report for 2025. The Annual Report 2025 is available on the investor website: [investor.riskintelligence.eu/reports](https://investor.riskintelligence.eu/reports)

For a more specific review of the annual year 2025 please see [Risk Intelligence Interim and Year-end Report Q4 2025](#).

The Annual Report 2025 is presented based on Going Concern principles and the Auditors concur with this opinion.

Reference is made to the Annual Report 2025:

The Auditors Qualified opinion is modified by the following:

*“Material uncertainty related to going concern*

*Without modifying our opinion, we refer to note 1 in the financial statements, in which the management has stated the company’s ability to continue its operations and described the expected growth and related assumptions to funding and cash flow. The management expects that the budget will be achieved and with the additionally secured loan funding, that the company is going concern.*

*Provided that Management approves the annual report in its present wording and presentation and that no additional information is disclosed during Management’s discussion of the annual report, we will issue a modified auditor’s report with above emphasis of matter on the financial statements.”*

---

Risk Intelligence A/S was founded in 2001 by Hans Tino Hansen. The company has evolved to become a prominent company in security risk management by delivering threat and risk assessments worldwide. Risk Intelligence operates and assists customers and partners from headquarters located in Hellerup north of Copenhagen, the office in Singapore as well as through analysts and representatives in Europe, Asia and North America. The business model is designed with international scalability in mind and the company is globally regarded as a specialist in its field. Risk Intelligence’s core product is the Risk Intelligence System, a digital solution that allows clients to monitor global security risks and enables them to plan and implement missions in risk areas. Risk Intelligence is listed on the Spotlight Stock market [RISK].
