## Fiskars Group publishes restated financial figures for 2019

Fiskars Group has today published restated, unaudited financial figures for the year 2019 concerning the new primary reporting segments: Vita, Terra, Crea and Other.

At the beginning of April, Fiskars Group's new organizational structure became effective, as the organization was simplified in line with the announcement on December 4, 2019. Following the change, the company is organized around three Business Areas, global Sales and Consumer Experience & Growth functions, as well as Supply Chain and other Global Functions.

In addition, Fiskars continues to report group-level net sales for three geographical reporting segments: Europe, Americas, and Asia-Pacific. These figures have not been restated.

Business Area Vita offers premium and luxury products for tableware, drinkware and interior categories. Key brands include Iittala, Royal Copenhagen, Waterford and Wedgwood.

Business Area Terra consists of the gardening, watering, and outdoor categories. Key brands include Fiskars, Gerber and Gilmour.

Business Area Crea consists of the scissors and creating as well as the cooking categories, mainly with the Fiskars brand.

The Other segment contains the Group's investment portfolio, the real estate unit, corporate headquarters and shared services.
