## OPRA™ Implant System presented at Mayo Clinic

Dr Rickard Bränemark and Dr Örjan Berlin from Sahlgrenska University Hospital in Gothenburg gave in April a lecture about the OPRA™ Implant System at the Mayo Clinic in Rochester, MN.

Dr Bränemark and Dr Berlin lectured about osseointegration and the OPRA™ Implant System at Grand Rounds at the Department of Orthopaedics as well as the Department of Rehabilitation at the Mayo Clinic in Rochester, Minnesota, USA. The Mayo Clinic was recently ranked the number one hospital in the world by Newsweek. "We are very pleased to have the opportunity to present about the history, science and clinical results of the OPRA™ Implants System, says Dr Bränemark, our presentations were well received and I hope this will pave the way for a collaboration with this very prestigious institution."
