About CapMan

CapMan is a leading Nordic private asset expert with an active approach to value-creation in its target companies and assets. We offer a wide selection of investment products and services. As one of the Nordic private equity pioneers, we have developed hundreds of companies and real estate and created substantial value in these businesses and assets over the last 30 years. CapMan employs today approximately 120 private equity professionals and has approximately €3 billion in assets under management. We mainly manage the assets of our customers, the investors, but also make investments from our own balance sheet. Our objective is to provide attractive returns and innovative solutions to investors. Our current investment strategies cover Buyout, Growth, Real Estate, Infra, Credit and Russia. We also have a growing service business that currently includes procurement services (CaPS), fundraising advisory (Scala Fund Advisory), and fund management services.
