

Mangold Insight interviews PolarCool's CEO Erik Andersson

Mangold Insight has published an interview with PolarCool's CEO, Erik Andersson, where he provides an update on the company's progress and future prospects.

"PolarCool is currently in a very exciting phase where we have laid the foundation for continued expansion. Our main focus right now is the launch in the US and Canada, where we are working intensively to obtain market approval and find suitable partners. These are two markets where we see great potential for rapid and expansive growth", says PolarCool's CEO Erik Andersson.
