## **About us**

[Northmill](#), founded in 2006, is a Swedish innovative fintech-company with the vision of simplifying everyone's financial life. With a focus on technology, innovation, and accessibility, Northmill has approximately 200 000 customers and 100 employees in three countries. Northmill is a Swedish financial institution under the supervision of Finansinspektionen, Sweden's financial supervisory authority. In 2018, for the second consecutive year, Northmill was awarded Dagens Industri Gasell. Northmill Group had a net revenue of SEK 435 million in 2018.
