Notice of AGM 15 April 2010

Ratos's Annual General Meeting will be held on Thursday, 15 April 2010 at 17.30 CET in Berwaldhallen, Stockholm. The complete notice of the meeting is available at www.ratos.se where attendance also can be notified. Complete AGM documentation will be available at Ratos's head office and on the company's website www.ratos.se from 16 March.

Board of Directors

The Nomination Committee proposes re-election of Board members Olof Stenhammar, Lars Berg, Staffan Bohman, Arne Karlsson (CEO), Annette Sadolin, Jan Söderberg, Per-Olof Söderberg and Margareth Øvrum. Olof Stenhammar is proposed as Chairman of the Board. A more detailed presentation of proposed Board members and the work of the Nomination Committee is provided on the company's website www.ratos.se.

Proposed dividend

The Board proposes an ordinary dividend of SEK 9.50 per class A and B share (9.00). The record date for the right to receive dividends is proposed as 20 April and dividends are expected to be paid on 23 April.

Purchase of treasury shares

The Board of Directors proposes that the Annual General Meeting gives the Board a mandate to decide, during the period until the next Annual General Meeting, on repurchase of a maximum number of shares so that the company's holding of treasury shares does not exceed 7% of all the shares in the company. The purpose of the buy-backs is to give the Board more room for manoeuvre in its work to create value for the company's shareholders.

Incentive programme

The Board proposes a decision to issue a maximum of 650,000 call options on repurchased Ratos shares to be transferred at a market premium to key people within Ratos. The intention is that option purchases should be partly subsidised. It is further proposed that the Meeting decides on a transfer of a maximum of 650,000 shares in the company when the above-mentioned options are exercised.

In addition, the Board proposes, as in the previous year, that the Meeting decides on a cash-based option programme related to Ratos's investments in holdings. It is proposed that the programme be carried out by issuing synthetic options which key people within Ratos will be entitled to acquire.

Proposal on authorisation for new issues to be used at acquisitions

The Board proposes that the Meeting authorises the Board in conjunction with company acquisitions, on one or several occasions, against cash payment, through set-off or non-cash, to decide on a new issue of class B shares in Ratos. This authorisation shall comprise a maximum of 30 million B shares.
