About Ratos

Ratos is a business group consisting of 16 companies divided into three business areas: Construction & Services, Consumer and Industry. The companies have approximately SEK 32 billion in net sales (LTM). Our business concept is to own and develop companies that are or can become market leaders. We have a distinct corporate culture and strategy – everything we do is based on our core values: Simplicity, Speed in execution and It's All About People. We enable independent companies to excel by being part of something larger. People, leadership, culture and values are key focus areas.
