

Indigo Partners and WOW air Reach Preliminary Agreement

Indigo Partners LLC (“Indigo”), and WOW air (“WOW”), the Icelandic airline based in Reykjavik, have agreed in principle for Indigo to invest in WOW. Terms of the transaction were not disclosed. Following successful completion of due diligence, the parties would work to close as soon as practicable. WOW’s CEO and primary shareholder, Skuli Mogensen, would remain a principal investor in WOW upon completion of the transaction.

WOW air is an ultra-low-cost carrier currently serving 25 destinations across Europe and North America.

“The demand for low-cost air service continues to expand rapidly worldwide, and with Indigo as a partner, we hope to take full advantage of this highly attractive market segment,” said Mr. Mogensen. “I am excited to work with Indigo and I am convinced it is the best long-term move for our people and passengers.”

“Skuli and WOW’s management and employees have done a remarkable job in creating a well-regarded, successful ULCC brand,” said Bill Franke, Managing Partner of Indigo Partners. “We have a strategic vision for the airline, and look forward to working with its employees and agents to deliver that vision.”

WOW is advised in this transaction by Plane View Partners LLC, the U.S. air transportation advisory firm.
