INVISIO has received contract award decisions from the Swedish police

The Swedish police have announced in two contract award decisions that they intend to sign two framework agreements with INVISIO regarding communication equipment. The contract award decisions are not to be regarded as signed agreements.

The agreements include communication equipment with active hearing protection and are framework agreements valid for two years with the possibility to extend for another two years. No volume is guaranteed during the contract periods; call-offs will be made when the need arises.

The tendering process may be subject to review within ten days of the award decision.

INVISIO intends to provide additional information when the company has such and when the agreements are signed.
