About Smartoptics:

Smartoptics provides innovative optical networking solutions and devices for the new era of open networking. The Company's customer base includes thousands of enterprises, governments, cloud providers, Internet exchanges as well as cable and telecom operators. Smartoptics has an open networking approach in everything it does, which allows our customers to break unwanted vendor lock-in, remain flexible and minimize costs. The solutions are used in metro and regional network applications that increasingly rely on data center services and specifications.
