

# Strengthen your brain with Meganumbers!

The new game that helps both old and young  
have fun with maths!

**OSLO, NORWAY, November 29, 2018** – Megapop Games is proud to announce that *Meganumbers* is now globally available for free on the App Store and Google Play platforms!

After a soft launch with **great reviews** in countries like Norway, Sweden, Spain and the Philippines, *Meganumbers* now offers a **learning experience for younger (and older!) minds around the globe by using numbers.**

*Meganumbers* is a **fun puzzle game** where you split, combine and match numbers as fast as you can. Brainy is all about **exercising his brain**, while also having tons of fun along the way! Join him and beat Lazy Brain in more than 100 unique and fun campaign levels to **become the new Brain Champion!**

The game is currently **available in English, Norwegian, German, Spanish, Italian and Portuguese** on Android and iOS mobile devices. Includes a Premium mode that removes ads and unlocks an extra game mode where you can play at your own leisure, without time or pressure to answer the big question: How many numbers can you match?
