About Nustay

Nustay is a Danish company within the hotel booking market that offers its customers a new booking concept. Nustay has a vision of becoming the best and most disruptively innovative hotel booking platform in the world. The company's innovative and advanced hotel booking platform has been under development since 2014 and is today online, active and has proven its ability to handle customers all over the globe. Nustay is an Online Travel Agency that delivers personalised hotel deals for each registered user depending on the preferences of the user and the type of stay. Nustay differs itself from its competitors – current OTA market actors such as Booking.com and Hotels.com – by combining the best and most important aspects of existing online booking – a large hotel inventory, a great booking experience and lower prices than its competitors.
