Nustay partners with Agoda to distribute hotel inventory

Today, Nustay A/S (“Nustay”) announces that the company has entered into an agreement with Agoda (“Agoda”), part of Booking Holdings (Nasdaq BKNG) to become a hotel supply partner to Agoda. With this strategic partnership, Agoda will have access to Nustay’s curated inventory of more than 10,000 hotels.

The partnership is particularly important for Nustay as Agoda is one of the world’s fastest growing online travel agents (OTAs) with a strong presence in Asia, which is a growing market for Nustay. The collaboration will provide Asian and other international travellers greater accessibility to accommodation around the world to suit their travel needs. The integration with Agoda is expected to go live in the end of Q3 2019.

CEO Mathias Lundoe Nielsen comments:

“I am very proud to announce this new partnership with Agoda. Agoda is a part of Booking Holdings and is one of the world’s fastest growing OTAs, and it is of course a great proof of our competitiveness that they have signed this agreement with Nustay to offer their customers more hotel choices. Furthermore, Agoda is particularly active on the highly lucrative Asian market which is great for Nustay since we are not yet very active marketing-wise in Asia ourselves. We expect to see the positive impact from this deal already in Q4 this year and I look very much forward to co-operating with Agoda.”
