

NUSTAY

Nustay enters B2B partnership agreement with Quantum Reservation

Today, Nustay A/S (“Nustay”) announces that the company has entered into a distribution agreement with Quantum Reservation Pte Ltd (“Quantum Reservation”) regarding inclusion of their full inventory of approx. 10,000 directly contracted hotels on Nustay’s hotel booking platform.

Quantum Reservation is a Singapore-based pure B2B wholesaler that is committed to provide all land services to travel agencies around the globe, but with a particular focus on the Asian market. The agreement was signed in May 2019 and will be ongoing until further notice.

CEO Mathias Lundoe Nielsen comments

“It is very pleasing to announce this new agreement with Quantum Reservation. The deal with Quantum Reservation will be an important part in our future expansion on the fast-growing market in Southeast Asia.”

About Quantum Reservation

Quantum Reservation provides worldwide hotel reservation services, and all corresponding land arrangements exclusively to a global network of travel agents and consolidators. The company is a pure B2B wholesaler that is committed to provide all land services to travel agencies around the globe. Quantum Reservation was established in 1993, and is based in Singapore, a central business hub of Asia. However, its customers can be found in all corners of the globe. The company’s mission is to provide worldwide hotel reservation service and all corresponding land arrangements exclusively to travel agents globally through the website QuantumReservations.com. As a global provider of hotel reservation service, Quantum Reservation have over 10,000 hotels in over 400 cities. Because of the company’s regional expansion, Quantum Reservation also recently announced that it is the largest supplier of worldwide hotel reservation services in Southeast Asia.

About Nustay

Nustay is a Danish company within the hotel booking market that offers its customers a new booking concept. Nustay has a vision of becoming the best and most disruptively innovative hotel booking platform in the world. The company’s innovative and advanced hotel booking platform has been under development since 2014 and is today online, active and has proven its ability to handle customers all over the globe. Nustay is an Online Travel Agency that delivers personalised hotel deals for each registered user depending on the preferences of the user and the type of stay. Nustay differs itself from its competitors by combining the best and most important aspects of existing online booking – a large hotel inventory, a great booking experience and lower prices than its competitors.
