

TAG Systems obtains VISA Letter of Approval for its Biometric Payment Card built on the Zwipe Pay platform

OSLO, NORWAY - 29 March 2022 - Tag Systems, a leading provider of payment cards (and part of the AUSTRIACARD Group) has obtained the Letter of Approval (LoA) from VISA that enables the production of certified biometric payment cards using the Zwipe Pay platform.

This development confirms that Zwipe's complete solution is ready for full scale production by Tag Systems for adoption by issuers globally. Zwipe obtained its VISA Letter of Approval (LoA) for its Zwipe Pay platform on 24 March 2022, enabling smart card manufacturers working with Zwipe to swiftly obtain VISA certification for their own biometric payment card designs.

"We are pleased to see the second certification granted to our customers for biometric cards based on Zwipe Pay. On behalf of everyone at Zwipe, I would like to congratulate the team at Tag Systems and Austria Card Group on this achievement. We are ready to support your deployments," said **André Løvestam, CEO of Zwipe**.
