The proposal entails amending Article 5.1 of the Articles of Association as follows:

The board members are eligible for re-election. In addition to the members elected by the general meeting, the employees of H. Lundbeck A/S and its subsidiaries shall elect a number of members to the Board of Directors in accordance with the Danish Companies Act (selskabsloven) in force from time to time."

Re agenda item 6:

The Board of Directors of H. Lundbeck A/S should consist of persons who together possess the financial, pharmaceutical and international qualifications required for safeguarding the Company's and, thus, the shareholders' interests in the best manner possible having regard to the Company's other stakeholders. The Board of Directors' most important duties are to formulate H. Lundbeck A/S' overall strategy, set specific objectives for the Company's Executive Management and ensure that the members of the Executive Management have the right qualifications.

For a more detailed description of the qualifications required for members of the Board of Directors, please see the Company's website: www.lundbeck.com -> About Us -> Corporate Governance.

Members of the Board of Directors elected by the annual general meeting are elected or re-elected every year, and therefore the term of office of the current members expires in connection with this annual general meeting. The Board of Directors proposes that the following members elected by the annual general meeting should be re-elected: Lars Søren Rasmussen, Lene Skole-Sørensen, Lars Erik Holmqvist, Jeffrey Berkowitz, and Jeremy Max Levin. Henrik Andersen has decided to step down from the Board of Directors at the annual general meeting on 23 March 2021 when his election is set to expire and will consequently not be up for re-election. The Board of Directors is at this point in time searching for a potential replacement and may potentially at the annual general meeting present and nominate a new candidate for election to join the Board of Directors. If a new candidate is found in reasonable time before the annual general meeting and if practically possible, an amendment to this notice will be made available. Finally, in addition to the potential replacement for Henrik Andersen, the Board of Directors proposes to elect Santiago Arroyo as a new member of the Board of Directors. The Board of Directors expects to elect Lars Søren Rasmussen as Chairman and elect Lene Skole-Sørensen as Deputy Chairman.

The Board of Directors assesses that the candidates together possess the professional and international experience required for maintaining the Company's position as a leading global pharmaceutical company focusing on research and development in the field of brain disorders. The Board of Directors also considers the size of the Board appropriate considering the

Company's needs and the aim of ensuring constructive debate and effective decision-making. Regard has been given to diversity in the selection of board candidates.

The Recommendations on Corporate Governance recommend that at least half of a company's board members elected by the annual general meeting should be independent of the Company. Lars Søren Rasmussen, Jeremy Max Levin, Jeffrey Berkowitz and Santiago Arroyo meet the criteria for independence. Lene Skole-Sørensen and Lars Erik Holmqvist are considered to be non-independent board members due to their responsibilities in the Lundbeck Foundation. If the proposed candidates are elected to the Board of Directors, the Board will meet the recommendation for independence as defined by the Recommendations on Corporate Governance.

The following persons were elected to the Board of Directors in 2018 for a four-year period as employee representatives in accordance with the Danish Companies Act (Selskabsloven): Ludovic Tranholm Otterbein, Henrik Sindal Jensen and Rikke Kruse Andreasen.

Re agenda item 8:

In accordance with the recommendation submitted to the Board of Directors by the Audit Committee, the Board of Directors proposes that PricewaterhouseCoopers Statsautoriseret Revisionspartnerselskab, CVR no.: 33 77 12 31 should be re-elected as auditor for the Company. The Audit Committee is free from influence by a third party and is not subject to a contract with a third party restricting the choice of the annual general meeting to certain categories or lists of statutory auditors or audit firms, as regards the appointment of a particular statutory auditor or audit firm to carry out the statutory audit of the Company.

Re agenda item 9:

9.1 It is proposed to authorize the Board of Directors until the next annual general meeting to allow the Company to acquire treasury shares of a total nominal value of up to 10% of the share capital. The purchase price for the relevant shares may not deviate by more than 10% from the price quoted on Nasdaq Copenhagen A/S at the time of the acquisition.

9.2 The Board of Directors proposes to adopt the amended Remuneration Policy for the Board of Directors and the Executive Management of H. Lundbeck A/S. This includes a proposal from the Board of Directors that the general meeting approves that the Company shall indemnify its directors and officers for third party claims, subject to certain conditions and limitations, and that H. Lundbeck A/S' Remuneration Policy is amended accordingly.

In line with several other listed companies H. Lundbeck A/S has for many years established and maintained directors' and officers' liability insurance policies to cover the liability that its directors and officers may incur in the discharge of their duties for H. Lundbeck A/S and which the Company until recently considered provided coverage on a reasonable level, considering the nature of the business of H. Lundbeck A/S. However, due to recent general hardening of the D&O insurance market, it has proved difficult to take out such directors' and officers' liability insurance to maintain the level of coverage that the Company, on the professional advice of its insurance brokers, has provided and generally considered reasonable to protect its directors and officers during recent years. Accordingly, it is assessed and determined to be in the best interest of the Company and its shareholders that the Company's directors and officers are offered appropriate supplementary indemnification by the Company for claims raised by third parties related to the discharge of their duties for H. Lundbeck A/S, including with a view to attract suitable candidates for the Board of Directors and management of the Company as well as to retain current members of such positions.

Any indemnification granted by the Company will be secondary to the directors' and officers' liability insurances taken out by H. Lundbeck A/S i.e. the Company shall only become obliged to provide indemnification towards a director or officer in case the directors' and officers' liability insurance is exhausted.

The maximum aggregate indemnification amount per insurance year shall be an amount equal to the difference between i) the level of coverage that the Company, on the professional advice of its insurance brokers, considers reasonable to protect its directors and officers and has endeavored to take out for the relevant insurance year; and ii) the total insurance coverage achieved for that insurance year. Such indemnity shall be with the addition of supplementary indemnification for any director's or officer's tax liability incurred as a result of an indemnification amount becoming effective and paid-out on behalf of any director or officer.

The indemnification shall otherwise be subject to the same terms, conditions and limitations (including covered claims and losses, notification procedure etc.) as applicable to such directors' and officers' liability insurances taken out by H. Lundbeck A/S from time to time, except that any indemnification by the Company shall not include any claims against a director or officer that are based on any fraudulent or grossly negligent actions or any criminal behaviour or sanctions. Notwithstanding the generality of the foregoing, the Company may in specific circumstances indemnify directors and officers for third party claims incurred in the discharge of their duties towards H. Lundbeck A/S in excess of the stipulated monetary limitations on the same basis as set out above.

Persons covered by the indemnification shall include members of the Company's Board of Directors, Executive Management and other persons comprised by H. Lundbeck A/S' Executive Management team (as determined by the Board of Directors at any given time) who are not registered with the Danish Business Authority and who are covered by H. Lundbeck A/S' directors' and officers' liability insurances.

It is proposed to include this indemnification provision as part of H. Lundbeck A/S' Remuneration Policy. As such, in accordance with section 139(2) of the Danish Companies Act, any material changes to the indemnification provisions shall be presented to the general meeting for approval and, in any event, it shall together with the Remuneration Policy in general be presented to the general meeting every 4th year for approval.

The proposed amendments to the Remuneration Policy also include a revision of the claw-back provision to reflect the new Corporate Governance Recommendations (recommendation 4.1.6) (see Clause 3.5.1 of the amended Remuneration Policy) as well as certain other minor adjustments (see Clauses 2.2.1 and 3.4.2 of the amended Remuneration Policy).

The complete wording of the proposed amended Remuneration Policy for the Board of Directors and the Executive Management of H. Lundbeck A/S will be made available on the Company's website no later than 26 February 2021.

9.3 It is proposed to authorize the Board of Directors to assemble future general meetings as fully electronic meetings. The proposal is made to create the greatest possible flexibility for the Company when preparing and holding the Company's general meetings, taking into account, among other factors, the COVID-19 situation and the increasing digitalisation of society. The proposal entails inserting a new Article 7.5 to the Articles of Association with the following wording:

"7.5 General meetings may by decision of the Board of Directors be held as completely electronic general meetings without physical attendance. Shareholders may attend such general meetings via the internet, on the Company's website, by conference call, or on any other medium offering the same functionality."

9.4 H. Lundbeck A/S is an international company with presence in more than 55 countries around the world. The members of the Board of Directors, the management, the employees in the headquarter in Denmark and Lundbeck's stakeholders, including its shareholders, are a mix of multiple nationalities and the natural oral and written working and communication language both internally and externally in H. Lundbeck A/S is English. Therefore, it is natural for the Board of Directors to propose to change the corporate language of H. Lundbeck A/S to English (see agenda item 9.4.a below). In addition to those reasons, and in order to optimize work streams and allow key non-Danish speaking employees to participate in the daily work with the original documents and preparation of the general meetings, the Board of Directors further proposes that, the Board of Directors is authorized to decide whether a general meeting should be conducted in English or Danish (see agenda item 9.4.b below) and that all documents prepared for the general meetings (see agenda item 9.4.c below) and company announcements (see agenda item 9.4.d below) are prepared in English only, but with an option to have these prepared in Danish if so decided by the Board of Directors. It is with the above reasoning that the Board of Directors proposes the following amendments to be adopted in the Articles of Association:

9.4.a The Board of Directors proposes to adopt the following new Article 1.2 in the Articles of Association:

"1.2 The Company's corporate language is English."

9.4.b The Board of Directors proposes to adopt the following new Article 7.6 in the Articles of Association:

"7.6 General meetings shall be held in Danish or English as decided by the Board of Directors."

9.4.c The Board of Directors proposes to adopt the following new Article 7.7 in the Articles of Association:

"7.7 All documents prepared for the purpose of a general meeting in connection with or after the general meeting shall be in English and, if so decided by the Board of Directors, in Danish."

9.4.d The Board of Directors proposes to adopt the following new Article 17 in the Articles of Association:

17. Company Announcements

17.1 Company announcements are prepared in English and, if so decided by the Board of Directors, in Danish".

9.5 The Board of Directors proposes to authorize the Chairman of the annual general meeting to make such amendments and additions to the resolutions passed by the annual general meeting and the application for registration with the Danish Business Authority that may be required by the Danish Business Authority in connection with the registration of the adopted amendments.

The adoption of items 5, 9.3, and 9.4.a of the agenda requires that the proposals be adopted by at least 2/3 of the votes cast and of by at least 2/3 of the share capital represented at the annual general meeting. All other proposals on the agenda may be adopted by a simple majority of votes.

About H. Lundbeck A/S

H. Lundbeck A/S (LUN.CO, LUN DC, HLUYY) is a global pharmaceutical company specialized in brain diseases. For more than 70 years, we have been at the forefront of neuroscience research. We are tirelessly dedicated to restoring brain health, so every person can be their best.

Millions of people worldwide live with brain diseases, and far too many suffer due to inadequate treatment, discrimination, a reduced number of working days, early retirement, and other unnecessary consequences.
