

Share your love of reading this Valentine's Day with the gift of unlimited reading - gift guide essentials

Does your special someone enjoy reading? Do they love tech or having the latest 'must have' app? Whilst flowers, chocolates, clothes and perfume are always nice, wouldn't it be great to give a gift that keeps on giving every day, not just on February 14th.

Readly digital magazine subscription makes the perfect Valentine's present whether you're buying for a special lady or man in your life. Readly provides unlimited access to nearly 5000 titles to read anytime, anywhere, at the click of a button, bringing the magic of magazines to your fingertips. There's all the latest issues and back issues too, providing endless hours of reading on his or her mobile, tablet or laptop.

Read about a new hobby, be inspired with engaging features and Instant Articles, get up to date with news and trends, keep the mind challenged with puzzles or check out what your favourite celebs are up to with the breadth of titles and curated content available.

Read, download and save the magazines on Readly for just 99p for the first month then £7.99 thereafter. Give an annual subscription or a gift card to suit your budget such as 3 months for £23.97 or 6 months for £47.94. There's something for everyone.

Here's the top reasons to make someone's day by giving Readly this Valentine's Day:

Unlimited reading: With access to around 5000 magazines, your partner will never be short of something to read. Read your favourite titles or try something new. Reading is unlimited so don't hold back!

Travel light: Wave goodbye to heavy suitcases and airline restrictions. With Readly, you have access to your favorite magazines anytime, anywhere via your smartphone, tablet or laptop. And with no paper, it's environmentally friendly too!

You can benefit from the gift too: Readly gives users five profiles per household, so if you live with your special someone, you can read with your own profile too. Win win!

Shut down time: If you want to properly shut down without wi-fi and be undisturbed from time to time, you can download up to 500 magazines and read them in the offline mode wherever you may be.

Instant Articles: A new feature on Readly shows you specific articles based on your interests, reads and likes so you can focus on what you love reading about, in an instant.

Readly is the ultimate 'me time' gift that brings back the magic of magazines. It's sure to make your loved one smile whether you're cuddling up at home, travelling on a mini break or simply looking for gift ideas.
