

Mentice AB (publ) receives an order of USD 620,000 for simulation solutions and development services

Sweden-Gothenburg, August 22, 2022 (<https://news.cision.com/mentice-ab>).

Mentice AB (publ), Gothenburg, a world leader in simulation solutions for image-guided interventional therapies, announced today that a leading global healthcare technology company, has signed an agreement to acquire Mentice VIST® simulation solutions and development services, for an order of USD 620,000.

“Working with leading innovative partners, we value the opportunity to collaborate in this space to achieve the ambition to improve healthcare and ultimately the care for patients”, says Göran Malmberg, CEO and Group president for Mentice, “this project focusing on our Intracardiac Echocardiography (ICE) set of solutions is a development area for Mentice, where we have over the last couple of years developed the world’s leading solutions in this medical area. Our ICE solutions are now used by the majority of the world’s leading medtech industry.”
