The board of directors proposes that the extraordinary general meeting resolves to approve the board of directors' resolution of 15 July 2025 on a new issue of shares with preferential rights for shareholders (the "Rights Issue"). The following main terms and conditions shall apply to the Rights Issue.

1. Through the Rights Issue, the Company's share capital will increase by a maximum of SEK 129,832,047.48 by issue of a maximum of 6,491,602 shares.
2. The subscription price is SEK 22 per share. The share premium shall be added to the unrestricted premium reserve.
3. The right to receive subscription rights shall be granted to those who are registered as shareholders in the Company on the record date 29 August 2025.
Each (1) existing share in the Company entitles to one (1) subscription right. The subscription rights entitle the holder to subscribe for new shares in the Rights Issue, whereby two (2) subscription rights entitle the shareholder to subscribe for one (1) new share.
4. Subscription for the new shares shall take place during the period 2 September 2025 until and including 16 September 2025.
5. The board of directors shall have the right to extend the subscription and payment period.
6. Subscription of shares may also be made without subscription rights. In the event that not all shares have been subscribed for with subscription rights, the board of directors shall, in line with the suggested principles and within the framework of the maximum amount of the Rights Issue, decide on the allocation of shares subscribed for without subscription rights.
7. In the event of subscription of shares in the Rights Issue that entails that the investment must be notified in accordance with the Screening of Foreign Direct Investments Act (2023:560), allocation of shares is conditional upon a decision by the Inspectorate of Strategic Products to approve the investment or leave the notification without action.
8. The new shares entitle to dividends for the first time on the record date for dividend that occurs immediately after the new share issue has been registered with the Swedish Companies Registration Office and the shares have been entered in the share register of Euroclear Sweden AB.
9. The CEO, the board of directors or the person appointed by the board of directors is authorized to make the minor adjustments required for the registration of the resolution with the Swedish Companies Registration Office or with Euroclear Sweden AB.

Subscription undertakings, guarantee commitments and majority requirement

The Company's largest shareholders AB Traction and Svedulf Fastighets AB, representing in total approximately 50.2 percent of the total number of shares and votes in the Company, have undertaken to exercise their preferential rights in the Rights Issue and thereby subscribe for new shares corresponding to their respective pro rata shares in the Rights Issue. In addition to their subscription undertakings, AB Traction and Svedulf Fastighets AB have entered into guarantee commitments regarding the remaining part of the Rights Issue. Thus, the Rights Issue is in its entirety covered by subscription undertakings and guarantee commitments.

AB Traction and Svedulf Fastighets AB may, as a result of the fulfilment of their subscription undertakings and guarantee commitments, hold more than 30 per cent of the shares and votes in the Company after the Rights Issue. The maximum share that AB Traction and Svedulf

Fastighets AB may hold, provided that no one else subscribes for shares in the Rights Issue, is 33.7 percent and 33.2 percent of the shares and votes in the Company, respectively.

AB Traction and Svedulf Fastighets AB will apply for an exemption with the Swedish Securities Council from the mandatory bid obligation that may arise in the event that their respective holdings in the Company would amount to 30 per cent or more of the votes in the Company. The conditions for the Swedish Securities Council's decision to grant an exemption from the mandatory bid obligation will be that the general meeting's resolution to approve the issue is supported by shareholders holding at least two thirds of both the votes cast and the shares represented at the meeting, whereby shares held and represented at the meeting by AB Traction and Svedulf Fastighets AB shall be disregarded.
