### Adapteo in brief

Adapteo is a leading flexible real estate provider in Northern Europe. We build, rent out and sell adaptable buildings for schools, daycare centres, care, offices, accommodation and events. We know that our society will go through an immense change in the years to come. Whatever the future brings, we believe that adaptability is the best solution. With our buildings, we can transform, repurpose, scale up and scale down in a matter of weeks by using a modular and circular building concept. Our buildings can be used for a few days or indefinitely, always optimised for current needs. That is how we build adaptable societies.

Adapteo is listed on Nasdaq Stockholm and operates in Sweden, Finland, Norway, Denmark and Germany. In 2019, Adapteo's Net sales were EUR 216 million.
