

Adapteo Group appoints new Managing Director for Adapteo Sweden and Executive Vice President Sweden and Norway

Adapteo Group, the leading provider of adaptable buildings in Northern Europe, announces the appointment of Ola Skogö as the new Managing Director for Adapteo Sweden and EVP Sweden and Norway. Ola Skogö assumed the new position on 24 April and reports directly to Johanna Persson, President and CEO, Adapteo Group.

Ola Skogö, was recruited to Adapteo Group's management team as head of Business Area for Finland, Norway and Denmark in 2021 and has played a key role in Adapteos rapid growth journey. As Adapteo now continues its expansion, Ola Skogö will take over the operational lead for Adapteo Sweden as Managing Director while remaining his responsibility for the Norwegian businesses.

We are delighted to welcome Ola as he steps into his new role leading operations in Adapteo's largest market. With his impressive commercial background gained from holding several leading roles at customer-focused service companies, as well as his experience working within Adapteo Group, Ola is an invaluable asset to the company as we continue to expand our business in Sweden," said Johanna Persson, President and CEO of Adapteo Group.

Before joining Adapteo, Ola held the role as Managing Director at Aviator Sweden, an aviation service provider offering ground services to Swedish airports and airlines. Prior to that, he held several executive level roles at the facility management service company Coor, both in Sweden and internationally. In his new role at Adapteo Sweden he will be responsible for leading the Swedish operations and ensuring the continued success of its sustainable adaptable building solutions.

"I am honored to take on this role. Adapteo Sweden has had an impressive journey, and I am excited to continue developing our offerings and building adaptable societies in collaboration with our brilliant team and customers across Sweden", said Ola Skogö, newly appointed Managing Director for Adapteo Sweden and EVP Sweden and Norway.

About Adapteo

Adapteo is the leading adaptable space partner in Northern Europe. We develop, build, rent out and sell adaptable buildings for schools, daycares, care centres, offices, and accommodation. With our modular and circular building solutions, our customers can transform, repurpose, scale up and scale down based on their changing needs. That is how we build adaptable and sustainable societies. Adapteo has a building portfolio of 1.4 million square metres and operates in Sweden, Finland, Norway, Denmark, Germany, Belgium, the Netherlands and Lithuania. A majority of our revenues is generated by rental contracts from the public sector.
