---

*K-Fastigheter is much more than a property company. Through an integrated process, we build our business in the two business segments Construction and Property Management. In the Construction business segment, completed homes are delivered, where K-Fastigheter has chosen to work with three in-house developed concept houses for homes to enhance cost efficiency and cut construction times. Furthermore, through the subsidiary K-Prefab, K-Fastigheter delivers complete frame solutions internally as well as to external customers. The Property Management business segment manages the Group's property portfolio with a focus on housing and since April 2025, K-Fastigheter owns 57.6 percent of Brinova Fastigheter AB, which is a leading property company in southern Sweden, with a focus on the Öresund region. Since 2019, K-Fastigheter's B shares have been traded on Nasdaq Stockholm (short name: KFAST B). Read more at [k-fastigheter.se](http://k-fastigheter.se)*
