K-Fastigheter is much more than a property company. Through an integrated process, we operate in the two business segments: Construction and Property Management. In Construction, completed homes are delivered based on K-Fastigheter' proprietary concept buildings to enhance cost efficiency and cut construction times. Furthermore, through the subsidiary K-Prefab, K-Fastigheter delivers complete frame solutions internally as well as to external customers. The Property Management segment manages the Group's property portfolio with a focus on housing and since April 2025, K-Fastigheter owns 57.6 percent of Brinova Fastigheter AB, a leading property company in southern Sweden, with a focus on the Öresund region. Since 2019, K-Fastigheter's class B shares have been traded on Nasdaq Stockholm (ticker: KFAST B). Read more at k-fastigheter.se
