

Eco Wave Power Engages Solberg Communication to Enhance its Investor Communication

Stockholm, Sweden, 11 September 2020 ----- Eco Wave Power (Stock Symbol: ECOWVE), a leading onshore wave energy developer today announced it has engaged Swedish communications agency Solberg with the purpose to enhance the company's investor communications and strengthen relationships with the local and global investment communities.

"We are very pleased that Solberg has joined the Eco Wave Power team as our investor relations consultant. Solberg's expertise will be a valuable addition to Eco Wave Power, as we expand our business into new arenas and appeal to a broader spectrum of investors", said Inna Braverman, CEO of Eco Wave Power.

Solberg is a full-service corporate communications agency based in Gothenburg, Sweden. Founded in 1968, Solberg has vast experience in helping businesses, from Large Cap enterprises to emerging growth companies, to develop their stakeholder communications. Solberg has some 40 employees specialized in investor relations, public relations, sustainability, and branding.

"With Solberg as our communications partner, we boost our capacity for both strategic and hands-on investor communications as we move into the next phase of our growth", said Inna Braverman.

About EWPG Holding AB (SE0012569663)

EWPG Holding AB (publ) ("Eco Wave Power") is a leading onshore wave energy technology company that developed a patented, smart and cost-efficient technology for turning ocean and sea waves into green electricity. Eco Wave Power's mission is to assist in the fight against climate change by enabling commercial power production from sea and ocean waves.

EWP is recognized as a "Pioneering Technology" by Israel's Ministry of Energy and was labelled as an "Efficient Solution" by the Solar Impulse Foundation. Furthermore, EWP's project in Gibraltar has received funding from the European Union Regional Development Fund and from the European Commission's HORIZON2020 framework program. The company was also recently recognized by the United Nations in receiving the "Climate Action Award", which was granted to the company during COP25 in Madrid, Spain.

The Eco Wave Power share (ECOWVE) is traded on Nasdaq First North Growth Market.

FNCA is the company's Certified Advisor (+46 8-528 00 399, info@fnca.se).
